

DENAIR UNIFIED SCHOOL DISTRICT  
INSURANCE RATES  
2013-2014

**Rates effective 10/1/13 - 9/30/14**

Full Time Employees: The District will contribute a monthly CAP allowance towards a Medical, Dental & Vision & Life. If the total of the premiums for your insurance is less than the CAP amount, the difference will be added to your paycheck. If the total premiums are greater than the CAP allowance, a deduction for the difference will appear on your paycheck.

Employees who work four or more hours per day are eligible for Health Insurance benefits, with the District providing an allowance for the percentage of the time worked. Full time employees **must** participate in the Health Benefit package.
