**STUDENT USE OF TECHNOLOGY**

I acknowledge Denair Unified School District offers student access to the Internet and other electronic networks through the district network (as defined in the Student Use of Technology-BP 6163.4). Increasingly, the Internet is the vehicle we use to deliver core curriculum materials. We believe that the educational advantages afforded by the rich, digital resources available through the district network, and the Internet, outweigh the disadvantages. All Internet access through the district network is filtered for content as per the Children's Internet Protection Act (CIPA).

You may choose to opt out of Internet access for your student. You may request an Opt-Out Form from your student's school site office designating that your student NOT be allowed to access locations on the Internet, other than core curriculum and assessments, through the Denair Unified School District's network. This opt-out will remain in effect for the school year in which it is signed. If you wish to renew this for future years, you will need to sign a new form at the beginning of each subsequent school year.

**PUBLISHING RIGHTS**

I understand there are times during the year when photographs, audio-visual recordings of students, or their work, may be used in school/district publications or on the school/district web site. When possible, we will alert parents in advance, but this is not always possible.

You may choose to opt out of allowing your student to appear in photos or other recordings taken by or on behalf of the Denair Unified School District. You may request an Opt-Out Form from your student's school site office designating that your student NOT appear in school/district publications or on the school/district web site. This opt-out will remain in effect for the school year in which it is signed. If you wish to renew this for future years, you will need to sign a new form at the beginning of each subsequent school year.

**RELEASE OF STUDENT INFORMATION**

The District does not release information or records concerning a child to noneducational organizations or individuals without parent consent except by court order, receipt of a lawfully issued subpoena, or when otherwise allowed by law. The following categories of directory information may be made available to various persons, agencies or institutions unless the parent or guardian notifies the District in writing not to release such information:

Name, address, telephone, date of birth, e-mail address, student ID, username, gender, ethnicity, home language, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, diplomas and awards received, and most recent previous educational institution attended. [EC 49060 et seq., 49073; 20 USC 1232g; 34 CFR 99.7] In accordance with state and federal law, the District may also make available photographs, videos, and class rosters. Please see [www.dusd.k12.ca.us/onlineprivacy/](http://www.dusd.k12.ca.us/onlineprivacy/) for a representative list of sites where directory data may be shared.

You may request an **Opt-Out Form** from your student's school site office designating that your student's information NOT be made available to outside agencies. This opt-out will remain in effect for the school year in which it is signed. If you wish to renew this for future years, you will need to sign a new form at the beginning of each subsequent school year.

## PARENT INVOLVEMENT AND COMMUNITY ENGAGEMENT

The Governing Board recognizes that parents/guardians are their children's first and most influential teachers and that sustained parent involvement in the education of their children contributes greatly to student achievement and a positive school environment. The Superintendent or designee shall work with staff and parents/guardians to develop meaningful opportunities at all grade levels for parents/guardians to be involved in district and school activities; advisory, decision-making, and advocacy roles; and activities to support learning at home. Parents/guardians shall be notified of their rights to be informed about and to participate in their children's education and of the opportunities available to them to do so. [BP 6020 may 2010]

Each year the Superintendent or designee shall identify specific objectives of the district's parent involvement program for schools that receive Title I funding. He/she shall ensure that parents/guardians are consulted and participate in the planning, design, implementation, and evaluation of the parent involvement program. (Education Code 11503) The Superintendent or designee shall consult with parents/guardians of participating students in the planning and implementation of parent involvement programs, activities and regulations. He/she shall also involve parents/guardians of participating students in decisions regarding how the district's Title I funds will be allotted for parent involvement activities. The Superintendent or designee shall develop and implement strategies applicable to each school that does not receive Title I funds to encourage the involvement and support of parents/guardians in the education of their children, including, but not limited to, strategies describing how the district and schools will address the purposes and goals described in Education Code 11502. (Education Code 11504) For more information on Parent Involvement, call your child's school or the District Office.

### ☛ District Use of Automated Dialing Systems

Denair Unified School District uses an automated dialing system to contact parents/guardians via home phones, cell phones, and e-mail to inform you of important events, parent conferences, and activities you and your child may want to participate in. If you have any questions regarding automated dialing systems used by the District, please contact your child's school office.

### ☛ Why Parents Should Read Aloud to Their Children

Nothing contributes more to your child's school success than learning to read well and enjoying reading. You can help your child love to read by reading aloud for as little as 30 minutes a day. Here are a few tips:

1. Read a book you think your child will enjoy. If you're unsure what book to read, ask our child's teacher for suggestions.
2. Preview the book first by reading it yourself.
3. Read aloud with expression. Adjust the pace of your reading to fit the story. During a suspenseful part, slow down to build your child's interest; when the story becomes exciting, let your voice express anticipation.
4. Read slowly to give your child time to imagine the action, characters, place, activities, and feelings expressed in the story.
5. Share your feelings about the book. Ask your child what he, or she, thinks will happen next.
6. If you are reading a book with pictures, take time to look and talk about them with your child.
7. Don't rush to finish the book. If you want to stop without completing the book, save the remainder for next time you read aloud.
8. Let your child express his, or her, feelings about the story. Did your child like the book? Why?
9. Tell your child the name of the book's author (and illustrator) and, if possible, anything you know about them. Information is often included on the book's cover or jacket. This will let your child know books are written by people--like him, or her--not by machines.
10. Don't worry about being perfect. Children are very appreciative listeners. The time you spend reading aloud to your son or daughter shows that you value reading as an enjoyable activity-- and that you value your child.
11. Turn off the television/computer/video games.

Reading skills will improve with practice..... whether students WILL read depends in part upon encouragement from their parents.

### ☛ Getting Your Child To and From School Safely

Denair Unified School District seeks to ensure a safe learning environment for all students. Parents can help to make their child's school experience safe. If your child walks to school, please make certain he, or she:

- Takes the safest route to school and NEVER TAKES SHORTCUTS
- Watches for cars or other vehicles backing out of driveways
- Crosses as few busy streets as possible
- Walks to school with other responsible students; if your child rides a bike to school, please make certain he, or she wears a bicycle helmet. All cyclists under the age of 18 must wear protective helmets whenever they are riding on public streets or trails.
- Rides on the right side of the roadway

- Uses reflectors on his, or her, bike
- Walks his, or her, bike across busy streets
- Stops at all traffic signals and uses bike lanes whenever possible
- Uses a bike lock

***Denair Unified School District is not responsible for the loss or theft of any bicycle from school grounds including bike compounds, storage racks, roller blades, skates and skateboards.***

Do not allow your child to arrive at school too early. Your child's school principal can tell you what time is best for your child to arrive at school. Instruct your child to come home immediately after school unless you know in advance where your child will be and arrangements have been made for his, or her, care.

### **Traffic Congestion Around the Schools**

Denair Unified School District and the Law Enforcement are working together to help ensure your child's safety at school. You can help. Traffic congestion around school campuses poses a potential danger to all students. To help avoid accidents that can occur, please:

1. Teach your child that being safe means obeying all traffic rules, whether your child:
  - Rides the school bus to and from school
  - Walks to school
  - Drives a car to school
  - Is transported to school by a parent or other driver
2. Use the specially designated areas at your child's school for dropping your child off or picking him/her up before and after school. (Each school has an area at, or near, the school for this purpose). Please:
  - Do not park in a NO PARKING ZONE
  - Do not park in a bus zone
  - Do not double park when you drop your child off or pick your child up
  - Do not block driveways or parking spaces
  - Do not drive through school parking lots to enter or leave the school grounds
  - Do not park across the street from the school and call your child to you
  - Do not allow your child to cut between vehicles or jaywalk to reach your vehicle
3. If you need to park near the school, please arrive early enough to park safely and allow enough time to walk to the school office.

Denair Unified School District issues parking citations for illegally parked vehicles on school campuses. This action was taken to monitor the safe operation of motor vehicles on District property and to keep fire lanes, bus zones,

reserved spaces and handicap parking areas clear for use only by those authorized.

### **Emergency, Disaster, and Civil Defense Procedures**

The Denair Unified School District has plans and preparations for major emergency situations. We believe that the reactions of people in emergencies depend largely upon their training. Our school staff is trained and drills are held regularly to make certain that the students understand emergency procedures.

We want your children to be as safe at school as they are at home in a serious emergency. School buildings have been designed with safety in mind, and inspections are regularly made to remove possible hazards. Many staff members are trained in first aid. Our primary concern in the event of an emergency is the safety and welfare of the students.

Your children should be instructed to obey the directions of their teachers and of the bus driver on the way to and from school if they ride the bus. If walking or riding bicycles, students should be told to continue toward their destination (to or from school) when an emergency situation develops.

#### **Your cooperation is asked in an emergency:**

- Please do not telephone the school. Telephone lines will be needed for emergency communications.
- Please do not drive to school. Streets should be as open as possible for emergency vehicles.
- Do turn your radio to the local station. Information and instructions for picking up students during or after an emergency will be given over the radio.
- Your children should know the safest and quickest route home in the event buses are unable to proceed as planned, making it necessary for students to walk home from school.
- If you are not home during the day, your children should be instructed to go to a neighbor's or relative's home where adults are present. This procedure applies anytime it is necessary to dismiss school early. Please be sure to discuss this matter with a neighbor or relative.
- You should review the above procedures with your children regularly, emphasizing that the regular means of getting home from school will be used except in an extreme emergency.

We assure you that our schools will continue to work closely with the Stanislaus County Office of Emergency Services and will adjust our plans should changes be necessary.

## ATTENDANCE

### ☛ Regular School Attendance

Students must attend school regularly to achieve in the classroom. Parents who make regular school attendance a top priority help their children become dependable and responsible. The importance of being in school EVERY SCHOOL DAY applies to students at all grade levels. Children in the primary grades (Kindergarten-through third) should set a pattern of regular attendance early in their school careers. This habit will carry over through high school and beyond.

### ☛ General Absences

Children cannot learn if they are not in school. Children learn early about being on time and not missing school. For students 6 to 18 years old, daily school attendance is compulsory. Daily school attendance improves student achievement. Teach your child to be on time and that school attendance is an important family value.

It is also important that you know the state only awards funding to school districts for actual attendance. The state no longer funds districts for the excused absences listed below. Always review the school calendar and plan activities and vacations during days off. No pupil whose attendance is excused shall have grades or academic credit lost if assignments and tests can be reasonably completed.

Other attendance reports, such as truancy, still rely on excused and unexcused absences. There are legal consequences if your child misses too much school. You must send a note and/or phone the school within 72 hours to clear any excusable absences. Unexcused absences result in a recorded truancy.

1. Notwithstanding EC 48200, a pupil shall be excused from school when the absence is:
  - A. Due to his or her illness.
  - B. Due to quarantine under the direction of a county or city health officer.
  - C. For the purpose of having medical, dental, optometric, or chiropractic services rendered.
  - D. For the purpose of attending the funeral services of a member of his or her immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
2. A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit thereof. The teacher of any class from which a pupil is absent shall determine the tests and assignments, which shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.
3. For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.
4. Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.
5. “Immediate family,” as used in this section, has the same meaning as that set forth in Section 45194, except that references therein to “employee” shall be deemed to be references to “pupil.” [EC 46014, 48205]

- E. For the purpose of jury duty in the manner provided for by law.
- F. Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent.
- G. For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of his or her religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization. When the pupil’s absence has been requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.
- H. For any student 16 years old or older, with a GPA of 2.5 or higher, for the purposes of serving as a member of a precinct board for an election pursuant to Sec. 12302 of the Elections Code.
- I. For the purpose of spending time with a member of the pupil’s immediate family, who is an active duty member of the uniformed services, as defined in EC 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
- J. Participation in religious instruction or exercises in accordance with district policy.

## ● Tardies

One of the responsibilities of each student is to be in the classroom in his/her seat or work station when the bell rings or when class is to begin. Being tardy is irresponsible behavior in that it is disruptive to the learning process. Each school site will establish a tardy policy and consequences to ensure students being in class on time.

## ● Clearing an Absence or a Tardy

It is the responsibility of the parent/guardian to provide explanation of a student's absence either by telephone the day of the absence or by note upon the student's return to school.

## ● Leaving School at Lunch Time

The Denair Unified School Board has established a closed campus policy at all sites. Students may not leave campus at any time during the school day. This is for the security of the campus and to protect your student's health, safety, and welfare. Please cooperate by not requesting permission for your student to leave campus during the school day. [EC 44808.5]

Students who leave campus without proper authorization shall be classified as truant and subject to disciplinary action and loss of eligibility for extra-curricular activities.

## ● Minimum Days/Pupil Free Staff Development Days

If your child will be affected by minimum days or staff development days, we will give you at least one month's notice. The dates that were known at press time are printed in the calendar in this booklet. [EC 48980(c)]

## ● Attendance Options

The governing board annually reviews attendance options including how students may attend a district school outside their attendance area (intra-district transfer). This district has non-arbitrary rules explaining how students may apply, be accepted or denied intra-district transfer. Many districts, by agreement, also allow the transfer of students from or to other districts (inter-district transfer). Victims of bullying or violence are given preference in inter-district transfers. In some cases, the district must provide transportation. Students attending "persistently dangerous" schools can transfer and enroll in a safe school. Districts cannot prevent children of active military from changing districts, as long as the district chosen agrees to accept them. Upon enrollment or transfer, principals are urged to check missing children information. Further information about residency, attendance options, special program options, etc. will be provided by the California Department of Education. [EC 46600, 48204, 48206.3, 48300, 48301, 48306, 48980, 49068]

## 1. Intradistrict transfers:

The Governing Board desires to provide enrollment options that meet the diverse needs and interests of district students and parents/guardians, while also balancing enrollment in order to maximize the efficient use of district facilities. The Superintendent or designee shall establish procedures for the selection and transfer of students among district schools in accordance with law, Board policy, and administrative regulation.

The parents/guardians of any student who resides within district boundaries may apply to enroll their child in any district school, regardless of the location of residence within the district. [EC 35160.5]

The Board shall annually review this policy.

### **Enrollment Priorities**

No student currently residing within a school's attendance area shall be displaced by another student transferring from outside the attendance area.

The Superintendent or designee shall grant priority to any district student to attend another district school, including a charter school, outside of his/her attendance area as follows:

1. Any student enrolled in a district school that has been identified on the state's Open Enrollment List.
2. Any student enrolled in a district school receiving Title I funds that has been identified for program improvement (PI), corrective action, or restructuring.
3. Any student enrolled in a district school designated by the California Department of Education as "persistently dangerous."
4. Any student who is a victim of a violent crime while on school grounds.
5. Upon a finding that special circumstances exist that might be harmful or dangerous to the student in the current attendance area. Special circumstances, include, but are not limited to, threats of bodily harm or threats to the emotional stability of the student. Any such student may transfer to a district school that is at capacity and otherwise closed to transfers.  
To grant priority under these circumstances, the Superintendent or designee must have received either:
  - a. A written statement from a representative of an appropriate state or local agency, such as a law enforcement official, social worker, or a properly licensed or registered professional, such as a psychiatrist, psychologist, or marriage and family therapist
  - b. A court order, including a temporary restraining order and injunction
6. Any sibling of a student already in attendance in that school.
7. Any student whose parent/guardian is assigned to that school as his/her primary place of employment.

## **Application and Selection Process**

In order to ensure that priorities for enrollment in district schools are implemented in accordance with law, applications for intradistrict open enrollment shall be submitted between January 1 and February 15 of the school year preceding the school year for which the transfer is requested.

The Superintendent or designee shall calculate each school's capacity in a nonarbitrary manner using student enrollment and available space.

Except for priorities listed above, the Superintendent or designee shall use a random, unbiased selection process to determine who shall be admitted whenever the school receives admission requests that are in excess of the school's capacity.

Enrollment decisions shall not be based on a student's academic or athletic performance, except that existing entrance criteria for specialized schools or programs may be used provided that the criteria are uniformly applied to all applicants. Academic performance may be used to determine eligibility for, or placement in, programs for gifted and talented students.

## **Transportation**

Except as required by 20 USC 6316 for transfers out of Title I PI schools, the district shall not be obligated to provide transportation for students who attend school outside their attendance area. [BP 5116.1 June 2011; EC 200, 35160.5, 35291, 35351, 46600-46611, 48200, 48204, 48300-48316, 48350-48361, 48980; 5 CCR 11992-11994; 20 USC 6316, 7912; 34 CFR 200.36, 200.37, 200.39, 200.42, 200.43, 200.44, 200.48]

## **2. Interdistrict transfers:**

The Governing Board recognizes that parents/guardians of students who reside in one district may, for a variety of reasons, choose to enroll their child in a school in another district.

## **Interdistrict Attendance Permits**

The Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts.

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed to by both districts for reapplication and/or revocation of the student's permit.

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent or designee shall review the request and may approve or deny the permit

subject to the terms and conditions of the interdistrict attendance agreement.

## **Transportation**

The district shall not provide transportation beyond any school attendance area. Upon request, the Superintendent or designee may authorize transportation for interdistrict transfer students to and from designated bus stops within the attendance area if space is available.

## **Limits on Student Transfers Out of the District to a School District of Choice**

The Superintendent or designee may limit the number of student transfers out of the district to a school district of choice based on the percentages of average daily attendance specified in Education Code 48307.

In addition, transfers out of the district may be limited during a fiscal year when the County Superintendent of Schools has given the district a negative budget certification or when the County Superintendent has determined that the district will not meet the state's standards and criteria for fiscal stability in the subsequent fiscal year exclusively as a result of student transfers from this district to a school district of choice.

The district may deny a transfer of a student out of the district to a school district of choice if the Board determines that the transfer would negatively impact a court-ordered or voluntary desegregation plan of the district. [BP 5117 October 2012; EC 46600-46610, 48204, 48980, 52317]

## **3. Open enrollment:**

Due to the transition to the new California Assessment of Student Performance and Progress system, the open enrollment list for 2016-2017 cannot be calculated. The District had at least one school on the list of 1,000 low-achieving schools for the 2015-2016 school year. For information about transferring to a different school under this provision, please contact the District Office. [EC 48350-48361]

## **☛ Districts of Choice**

Prior to January 1 parents may apply to transfer their students to a District of Choice. This deadline does not apply to military personnel relocated 90 days prior to submitting the application. This program allows transfer to another district without the approval of the student's home district.

The District of Choice can limit the number of students it is willing to accept. If more than that number of students applies there will be a random process to determine which students are accepted. [EC 48300, 48301-48315]

## **☛ Attendance Where Caregiver Resides**

If your child lives in the home of a caregiving adult, as defined by law, or a foster home your child may attend the school district in which that residence is located. Execution of an affidavit under penalty of perjury pursuant to the Family Code by the caregiving adult is required to determine

that your child lives in the caregiver’s home. [EC 48204(a), 48980(h); FC 6550-6552]

### ● Attendance in District in Which Parent or Guardian is Employed

Until June 30, 2017, your child may have the option of attending school in the school district where you or your spouse are employed for at least 10 hours per week. After July 1, 2017, if you and the child live at your place of employment within the district three (3) days per week, the child may attend school in the district. If interested, call the district office for information. [EC 48204(b), (48204(7) after July 1, 2017), 48980(i)]

### ● Enrollment of Homeless or Foster Youth

Foster and homeless children living in the District shall be permitted to attend a school in the District unless they: 1) stay enrolled at their school of origin, 2) their IEP indicates attendance elsewhere, or 3) the parent or guardian, with knowledge of all options, declares in writing otherwise. [EC 48850-48859; 5 CCR 4622; WIC 361, 726, 56055]

[EC 48207] If this situation should arise, you should notify both the district where you reside and where the hospital is located so that individualized instruction, if possible, can be provided. [EC 48208]

### ● Saturday School

The Governing Board of any elementary, middle, high school, or unified school district may maintain classes on Saturday. The Denair Unified School District’s Board of Education approves such classes when appropriate and practicable.

The classes may include makeup classes for unexcused absences occurring during the week. Attendance at classes conducted on Saturday shall be at the election of the pupil or, in the case of a minor pupil, the parent or guardian of the pupil. However, the Governing Board may require truants, as defined by E.C. 48620, to attend makeup classes conducted on one (1) day of the weekend.

### ● Truancy

The state defines three levels of truancy, each carrying more severe penalties for both the student and the parents or guardians. The three are truant, habitual truant, and chronic truant.

Truant: A student is truant after missing three days of school or 30-minute periods without a valid excuse.

Chronic Truant: A chronically truant student has missed 10 percent or more school days in a school year.

Habitual Truant: If a student is truant three or more times in a school year and an effort is made to meet with parents, then the student is a habitual truant.

Interventions: Students who are habitually truant, miss a lot of school or are disorderly can be referred to a student attendance review board (SARB), a district attorney mediation program, or the county probation department. Through these programs the student can be given guidance to meet special needs for improving attendance or improving school behavior. The goal is to intervene before a student enters the juvenile justice system or drops out.

Student Penalties: First truancy may result in a one-day weekend class. Second truancy may be a written warning from a peace officer that remains in the student’s records. Third truancy may result in assignment to an after-school or weekend program, a SARB, a probation officer, or district attorney program. A fourth truancy may result in a chance to improve attendance, but may also result in the student being placed within the jurisdiction of, and as a ward of the juvenile court. Other actions may include required community service, payment of a fine of \$100, attend a truancy mediation program, and loss of driving privileges. A finding of truancy may be handled through available community services.

Parent Penalties: In Education Code; first conviction – up to \$100 fine; second conviction – up to \$200 fine; third – up to \$500 fine. In Penal Code; parents of elementary students who are chronic truants face a fine up to \$2,000; imprisonment up to one year; or both. They may also be scheduled to meet regularly with district staff and/or referred for help. It is recommended that the parent or guardian attend classes at school with the student for one day. [EC 48260, 48260.5, 48261, 48262, 48263, 48263.5, 48263.6, 48264.5, 48291, 48293, 48320; PC 270.1, 830.1; WIC 256, 258, 601, 601.3; VC 13202.7]

### Responses to Truancy

Students may not be absent from school without verified approval of parent/guardian or school. The following represents the procedures that will be followed when a student is absent from school without such a valid excuse or is tardy without the school’s approval in excess of thirty (30) minutes:

1st Incident: The student and parents will be informed of the mandatory attendance laws and the District’s pertinent policy and procedures. The student will be instructed to attend all classes. Failure to do so may be treated as “defiance of authority.” Student will be informed that a work permit may not be issued or may be revoked if the student reaches the 4th step.

2nd Incident: The student and parents will be informed of the mandatory attendance laws and the District's pertinent policy and procedures. The student will be instructed to attend all classes. Failure to do so may be treated as "defiance of authority." Student will be informed that a work permit may not be issued or may be revoked if the student reaches the 4th step.

3rd Incident: The student and parents will be informed of the mandatory attendance laws and the District's pertinent policy and procedures. The student will be instructed to attend all classes. Failure to do so may be treated as "defiance of authority." Student will be informed that a work permit may not be issued or may be revoked if the student reaches the 4th step. The student is declared a legal truant. The school may recommend that the parent/guardian attend school one (1) day with the student. [EC 48260]

4th Incident: Student will be referred to a school administrator/designee. The student is once again reported as a legal truant. The school administrator shall call and hold a parent conference. Parents and student are again informed that failure to follow the school's directive to attend classes will be "defiance of authority" and will be grounds for referral to the School Attendance Review Board and/or involuntary transfer to an alternative education program. [EC 48260]

5th Incident: Student will be referred to a school administrator. The student is now a legal habitual truant. The parents and student will be informed that the next incidence of refusal to attend classes upon the direction of school authorities may result in a recommendation of the student to an alternative education program and possible referral of parent and student to the School Attendance Review Board (SARB). [EC 48262]

6th Incident: A letter shall be sent certified or by using "proof of service" method to the parents/guardians informing them that their student has had additional incidents of truancy since being declared a legal habitual truant and has been in "persistent defiance of authority." Parent and student may be referred to the School Attendance Review Board (SARB).

Alternative consequences may be assigned such as detention, in-school suspension, Saturday School, or community service. The student may be deemed ineligible to participate in extra-curricular activities. A work permit may not be issued/or revoked. The student may be subject to suspension, restriction, or delay of the pupil's driving privilege. Student may be referred to an alternative education program, such as continuation high school if

the student is sixteen (16) years of age or older, or to community day school if the student is under sixteen (16) years of age. [EC 48260.5, 49164; VC 13202.7]

### **School Attendance Review Board (SARB)**

SARB has the authority to recommend that parents and students take certain measures to correct inappropriate behavior, refer the pupil to community agencies for assistance, or suggest adjustments to the school assignment.

In the event that a parent or guardian or pupil fails to respond to the directives of SARB or to services offered on behalf of the minor, SARB may:

1. Direct that the minor be referred to the county welfare department under Section 300 of the Welfare and Institutions Code.
2. Direct that the minor be referred to the county probation department under Section 601 of the Welfare and Institutions Code.
3. Request the Director of Educational Services/Designee, to file a complaint against the parent, guardian, or other person in charge of such minor with the District Attorney.

### **🔴 Notice of Alternative Schools**

California state law authorizes all school districts to provide for alternative schools. Section 58500 of the Education Code defines alternative school as a school or separate class group within a school which is operated in a manner designed to: (a) Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy. (b) Recognize that the best learning takes place when the student learns because of his desire to learn. (c) Maintain a learning situation maximizing student self-motivation and encouraging the student in his own time to follow his own interests. These interests may be conceived by him totally and independently or may result in whole or in part from a presentation by his teachers of choices of learning projects. (d) Maximize the opportunity for teachers, parents and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous, permanent process. (e) Maximize the opportunity for the students, teachers, and parents to continuously react to the changing world, including, but not limited to, the community in which the school is located.

In the event any parent, pupil, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this district, and the principal's office in each attendance unit have copies of the law available for your information. This law particularly authorizes interested persons to request the governing board of the district to establish alternative school programs in each district. [EC 58501]

### **Student Use of Technology Agreement**

Denair Unified School District (DUSD or District) is pleased to offer students access to district computers, communications systems (email, web sites, smart phones, blogging, podcasting and/or other emerging technologies), the Internet and an array of technology resources to promote educational excellence and innovation. While using District and personal technology resources on or near school property, in school vehicles and buses, at school-sponsored activities, as well as using district technology resources via off-campus remote access, each student must act in an appropriate manner consistent with school, district, and legal guidelines. It is the joint responsibility of school personnel and the parent or guardian of each student to

educate the student about his/her responsibilities and to establish expectations when using technology.

Access to DUSD technology resources is provided to students who agree to act in a considerate and responsible manner. Prior to being allowed access to the Internet at school or through technology resources provided through DUSD, the parent must sign acknowledging their responsibilities and return the Annual Notification to parents (ANTP) form. Students must comply with DUSD standards and honor this agreement to be permitted the use of DUSD technology.

DUSD technology resources are provided to students to conduct research, access curriculum resources, enhance parent involvement, complete assignments, and communicate with others in furtherance of their education. Access is a privilege, not a right; as such, general rules of school behavior apply. Just as students are responsible for good behavior in a classroom or on school grounds, they must also be responsible when using school computer networks or personal technologies.

If a student violates any of these rules, his/her use shall be terminated and future access may be denied. Disciplinary action may also result. If possible criminal activity is discovered, the proper law enforcement authorities will be notified. Disciplinary action for students shall be in accordance with existing discipline policies and may include suspension or expulsion in accordance with the laws of the State of California and DUSD policy.

1. DUSD technology resources shall only be used to access educational information and to promote learning activities both at school and home, including the facilitation of communication between the home and school.
2. Students shall not load personal software or programs on District computers nor shall they download programs from the Internet without the approval of their instructor.
3. Virtual and physical vandalism shall not be tolerated. Any intentional act by a student that damages or interferes with performance of District technology hardware, software, operating systems, communication systems, will be considered vandalism and will be subject to school discipline and/or appropriate criminal or civil action.
4. Not all access to the Internet can be supervised. Students agree not to send, access, submit, publish, display or print over the Internet or DUSD network, or using DUSD technology resources, any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, offensive or illegal material. Cyber bullying is specifically prohibited. It shall be the student's responsibility to report the inappropriate use, web site, or communication to the student's teacher or other staff member.

5. Although the District uses a software filter to block known inappropriate web sites and prohibit access to harmful materials accessed from a District network, the District does not filter or block access to harmful materials accessed from a District-provided resource that is being used outside of the District network. Under any circumstances, filtering technology is not perfect and therefore may in effect both interfere with legitimate educational purposes and allow some objectionable material to be viewed.
6. The use of DUSD technology resources is not private; students should not expect that files stored on or transmitted via the District's resources will be confidential. All digital transmissions are subject to inspection and/or monitoring by District employees and other officials. Digital storage is DUSD property, and as such, network administrators will review files and communications to maintain system integrity and ensure that students are using technology responsibly.
7. DUSD denies any responsibility for the accuracy of information obtained from the Internet or on-line resources.
8. DUSD makes no warranties of any kind, expressed or implied, for the technology resources it provides to students.
9. Copyright ©, Trademark TM and/or Registered ® laws must be adhered to at all times. All materials from the Internet and other digital resources, including graphics, which are used in student projects or reports, must be properly cited. Copyrighted, Trademarked or Registered materials may not be placed on the Internet without the permission of the author.
10. Students shall not post or transmit their own or other's personal information such as home addresses, telephone numbers, last names, photos or other personal identifying information.
11. The use of District technology resources may involve the use of a password, network access code or other identifying or validating code. Such passwords and codes are to be protected as private information provided to the individual user for their sole purpose. Such passwords and codes shall not be disclosed by the student to others.
12. Students shall not use District technology resources to conduct for-profit business activities. Students shall not use District technology resources for advertising, promotion commercial purposes or similar objectives, including the purchase of any items or services.
13. Students shall abide by the instructions provided by teachers and other school staff in the use of personal technologies. Access to the Internet or other District communication systems from personal technology

is not available via hardwire connections or wireless access points.

### **Consequences of Misuse and/or Violation of the Provisions of this Agreement**

Misuse of personal or District and personal technology resources on or near school property, in school vehicles and buses, at school-sponsored activities, as well as using district technology resources via off-campus remote access, may result in disciplinary action up to and including expulsion from the schools of the District. This Agreement shall be used in conjunction with DUSD Board of Education policies, California Education Code, and other local, state and federal laws and regulations governing the applicable matter.

Students, parents and guardians should recognize that the nature of the use of District technology resources extends outside of the school itself and into off-campus remote locations such as homes. The District's jurisdiction to enforce student behavior and discipline policies and rules shall apply whether the misuse or violation is at school or away from school as long as the District's technology resources are being used in the inappropriate behavior.

### **Limitation of Liability**

Denair Unified School District shall not be responsible for any damages suffered by the student, including those arising from non-deliveries, misdeliveries, service interruptions, unauthorized use, loss of data, and exposure to potentially harmful or inappropriate material or people. Use of any information obtained via the Internet or communications technologies is at the student's own risk. Denair Unified School District specifically denies any responsibility for the accuracy or quality of information obtained through the Internet. The District assumes no liability for personal technology, including computers, smart phones, network access devices, or other electronic signaling devices, if such devices are damaged, lost or stolen. ### **📄 School Accountability Report Card**

The School Accountability Report Card is available on request, and is available annually by February 1st on the Internet at [dusd.k12.ca.us](http://dusd.k12.ca.us). It contains information about the district and school regarding the quality of programs and its progress toward achieving stated goals. A copy will be provided upon request. [EC 33126, 32286, 35256, 35258]

### **📄 Pupil Fees**

While there are limited exceptions, families and students should not have to pay fees for most items related to public education. There are four types of fees identified in Education Code:

**Pupil Fees:** No fees or deposits can be required or collected for items including, but not limited to, materials, supplies, equipment, uniforms (i.e. band, cheerleading, basketball), lockers, locks, books, class apparatus, musical instruments.

**Educational Activity Fees:** No fees can be required or collected for student participation in an event or activity, either curricular or extracurricular, that is an essential part of a student's education or for transportation to those events. There can be no fees required for registering or participating in regular or extra classes.

**Voluntary Donations:** While voluntary donations may be suggested for activities, no student may be denied participation based on the family's ability to make a donation.

**Exceptions – When fees may be required:** By law, there are exceptions to the prohibition against charging of fees or deposits. These exceptions include, but are not limited to, transportation to non-essential activities, non-essential events where attendance is optional (such as a school dance), food served to students, damage to district provided materials such as textbooks, cost of community service classes, and fingerprinting. Money may also be collected for material used for projects that a student will be taking home, such as, material used in a career class like as woodshop or sewing. The Uniform Complaint Procedure can be used regarding pupil fee compliance. A complaint may be filed with the school principal, and may be filed anonymously.

### ● **Management Plan for Asbestos-Containing Material**

The district has available upon request a complete and updated management plan for asbestos-containing material. [40 CFR 763.93]

### ● **Pesticide Use**

The District is providing parents the name of all pesticide products expected to be applied at school facilities this school year. The identification includes the name and active ingredients. Only fully certified pesticides can be used on school grounds. The school's Integrated Pest Management Plan (IPM) is updated by June 1 each year. The IPM, pesticide names and active ingredients, and application dates are posted on the school and/or district website at [www.dusd.k12.ca.us](http://www.dusd.k12.ca.us), under Departments, under Facilities, Construction, Maintenance & Operations.

Parents and guardians may register with the school or district if they wish to receive notification of pesticide applications at a particular school or facility. Notice of an

application and written notice of unlisted pesticide use will be given 72 hours in advance. For an emergency application, 72 hours notice will be the goal. Each area of the school where pesticide is being used will be identified by a posted warning 24 hours before (or upon application, if an emergency) through 72 hours after use. Further information is available from the California Department of Pesticide Regulation, P.O. Box 4015, Sacramento, CA 95812-4015, [www.cdpr.ca.gov](http://www.cdpr.ca.gov). ## **HEALTH SERVICES**

### ● **Kindergarten and First Grade Physical Exam**

State law requires that for each child enrolling in the first grade, the parent or guardian must present a certificate, signed by a physician, verifying that the child has received a physical examination within the last 18 months. If your child does not receive this exam, you must file with the school district a waiver stating the reasons you are unable to obtain such services. You must understand that your child may be sent home if you fail to provide the certificate or waiver, or if your child is suspected to be suffering from a contagious disease. You may find it convenient to have your child immunized at the same time that the physical examination is conducted. [EC 49450; HSC 124085, 124100, 124105]

These services may be available to you at no cost through the Child Health and Disability Prevention Program (CHDP). For information, you may contact:

Stanislaus County Public Health Services  
820 Scenic Drive, Modesto, CA 95350  
(209) 558-7700

## Kindergarten and/or First Grade Oral Health Assessment

Many things impact a child's school progress and success, including health. Children must be healthy to learn, and children with cavities are not healthy. Baby teeth are not just teeth that will fall out. Children need their teeth to eat properly, talk, smile, and feel good about themselves. Children with cavities may have difficulty eating, stop smiling, and have problems paying attention and learning at school.

Parents or guardians must have their child's oral health assessed by May 31 of the student's first school year (kindergarten or first grade). Assessments within the 12 months before the child enters school also meet this requirement. The assessment must be done by a licensed dentist or licensed or registered dental health professional. [EC 49452.8]

## Immunizations

A pupil may not be admitted to a classroom setting in school unless he/she has been fully immunized against diphtheria, hepatitis b, haemophilus influenza type b, measles, mumps, pertussis (whooping cough), poliomyelitis, rubella, tetanus, and varicella (chickenpox). Students must be immunized for varicella or provide proof from a doctor stating child has had the disease. All advancing students, new students, or transferring students in grades 7 through 12 must be fully immunized, including a required booster against pertussis (Tdap). They shall not be admitted without the Tdap booster.

It is this district's policy that there be no "conditional" admittance to schools. Documented proof that immunizations are up-to-date is required before admission to school is granted. This requirement does not apply in at least the following instances:

- If note from physician is supplied saying physical or medical condition does not allow vaccination.
- If a homeless or foster child is enrolling.

The required immunizations are available through a usual source of medical care, County Health Department, a school nurse, or may be administered by a health care practitioner acting under the direction of a physician. Immunizations may be given at school. There may be funds for those who cannot access services.

If an outbreak of a communicable disease occurs at a school, the non-immunized student will be excluded for his/her own safety until such a time as directed by health officials or district administration.

Parents or guardians may refuse to allow the sharing of personal information related to their child's immunization records by notifying the County Health Department listed in this section. [HSC 120325, 120335, 120338, 120370, 120375, 120400, 120405, 120410, 120415, 120480; EC

48216, 49403, 48852.7, 48853.5; 17 CCR 6000-6075; 42 USC 11432(C)(i)]

## Meningitis

Meningococcal disease or Meningitis can be a life threatening infection that can be treated, but cannot always be cured. Routine vaccinations are recommended for 11-12 years olds, students entering high school and students living in college dorms. For more information please visit the California Department of Public Health website or go to [www.cdph.ca.gov/HealthInfo/discond/Pages/MeningococcalDisease.aspx](http://www.cdph.ca.gov/HealthInfo/discond/Pages/MeningococcalDisease.aspx) [HSC 120395-120399]

## Medication

Children may take medication, which is prescribed by a physician, and get help from school personnel during the school day if:

1. The district designee has received a written statement from the physician detailing the medication name, method, amount, and time schedules by which the medication is to be taken; and
2. Parent, guardian, or caregiver annually submits a written statement asking the school district to assist their child in taking the medication or allow the student to self-administer certain medications. This includes allowing a school staff member to volunteer to identify the need for, and administer glucagon, epinephrine, and epilepsy seizure medication to a student. The letter gives permission to a district representative to communicate with the health care provider, pharmacist and acknowledge understanding of how the medication will be administered. Each school determines if it will have staff trained in the use and storage of auto-injectable epinephrine. The District will have a supply of epi-pens at each school site. [EC 49414(d), 49414.7, 49423, 49480]

Children may carry and self-administer a blood glucose level test, diabetes care, inhaled asthma medication, and auto-injectable epinephrine if the rules above are met and if a physician confirms in writing that the student is able to self-administer. [EC 49414, 49414.5, 49423, 49423.1, 49480]

If your child is on a continuing medication regimen for a non-episodic condition, you are required to notify the district designee of the medication being taken, the current dosage, and the name of the supervising physician. [EC 49480]

## Physical Examinations

If you want your child to be exempt from physical examinations at school, file a written statement annually with the school refusing such an exam. However, when there is a good reason to believe that your child is suffering

***For your child's safety, we need to know if your child is taking medication on a regular basis.***

from a recognized contagious or infectious disease, he/she may be sent home and shall not be permitted to return to school until the contagious or infectious disease does not exist. [EC 49451; PPRA]

### ● **Fluoride Treatments**

Children are eligible for fluoride treatments through a program organized by the county health officer. Parents will get a record that the treatment was applied. The county health officer will determine how to pay for the program. Parents or a student 18 years old or more have the right to refuse this program using the form provided by the school district. This program is not meant to replace regular professional dental care. [HSC 104855]

### ● **Vision, Hearing, and Scoliosis Screening**

An authorized person will check your child's vision upon enrollment (unless the student enters the District in grade 4 or 7) and in grades 2, 5, and 8. Hearing tests will be conducted when your child is enrolled or first enters a District school. Between grades 6 and 8, your child may be screened for scoliosis (curvature of the spine). These tests will/may be administered unless you annually present to the school a certificate from a physician or optometrist verifying prior testing, or submit a letter denying consent. [EC 44878, 49451, 49452, 49452.5, 49455]

### ● **Head Lice**

Children found with live lice will be sent home with the parents for treatment. Because no disease process is associated with head lice, data does not support school exclusion for remaining nits after appropriate lice treatment, although monitoring for signs of re-infestation is appropriate. The school nurse, as student advocate and nursing expert, should be included in the implementation and evaluation of vector control problems for the school setting. The school nurse retains an important role in educating all constituencies about head lice, and dispelling myths and stigmas regarding lice infestation.

### ● **Sun Protection**

Students when outdoors can wear sun protective clothing, including, but not limited to hats. [EC 35183.5] Students may also apply sunscreen during the day without a doctor's note or prescription. [EC 35291, 35294.6]

### ● **Confidential Medical Services**

School authorities may excuse any student in grades 7 through 12 from school for the purpose of obtaining confidential medical services without the consent of the pupil's parent or guardian. [EC 46010.1]

### ● **Medical and Hospital Insurance for Students**

The district DOES NOT provide insurance on individual students. However, you may purchase accident insurance through the district for medical and hospital services covering your child. The insurance provides coverage for your child while on school grounds or in school buildings

during the time your child is required to be there because of attendance during a regular school day of the district; or while being transported by the district to and from school or other place of instruction; or while at any other place as an incident to school-sponsored activities. The school district assumes no liability for accidents to pupils at school. [EC 32221.5, 49472]

**Under state law, school districts are required to ensure that all members of school athletic teams have accidental injury insurance that covers medical and hospital expenses. This insurance requirement can be met by the school district offering insurance or other health benefits that cover medical and hospital expenses. Some pupils may qualify to enroll in no-cost or low-cost local, state, or federally sponsored health insurance programs. Information about these programs may be obtained by calling Covered California (800) 300-1506. [EC 49471.5]**

Public, Charter, and Private school parents/guardians and athletes are annually required to complete a concussion awareness form if student participates in school-sponsored athletics other than physical education or athletic event during the school day. [EC 49475]

### ● **Drug, Alcohol, Tobacco, and Steroid Use Prevention**

The unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs, alcohol, or any form of tobacco product on District premises or as a part of any District activity is strictly prohibited. Beginning in January 2017, "tobacco product" is defined as (i) any product made or derived from tobacco or nicotine that is intended for human consumption, regardless of how consumed; (ii) an electronic device that delivers nicotine or other vaporized liquids to the person inhaling from the device (commonly known as "e-cigarettes"); or (iii) any component, part or accessory of a tobacco product. Except for members of the military, possession of tobacco by those under 21 is illegal and can lead to a \$75 fine or 30 hours of community service. It is illegal to possess synthetic marijuana. School districts may adopt no smoking policies that are not part of the TUPE program. The District has adopted a policy banning electronic-cigarettes (e-cigarettes) and other vapor delivery devices. [EC 48900, 48901; HSC 11357.5, 11375.5; BPC 22950.5(c); PC 308]

This district often seeks funding to support student programs; the district qualifies for Tobacco Use Prevention Education (TUPE) grant money. Money for the grant comes from Proposition 99 (1988) that added a 25¢ tax on each pack of cigarettes. In grades 6-12, TUPE funds support health education efforts aimed at the prevention and reduction of tobacco use by students and provide intervention and cessation services to students currently using tobacco. All recipients will adopt tobacco free district policies as well as post "Tobacco Use Is Prohibited" signs

at all property entrances. [BP 3513.3 September 2014; HSC 104350, 104420, 104460]

### **Synthetic Marijuana (Cannabis)**

Every person who sells, dispenses, distributes, furnishes, administers, gives; or offers to sell, dispense, distribute, furnish, administer, or give; or possesses for sale any synthetic cannabinoid compound, or any synthetic cannabinoid derivative, to any person, is guilty of a misdemeanor, punishable by imprisonment in a county jail not exceeding six months, or by a fine not exceeding one thousand dollars (\$1,000), or by both that fine and imprisonment. [HSC 11357.5, 11375.5]

### **Substance Abuse by Athletes**

High school athletes must sign a pledge they are not using steroids illegally or they will not be allowed to participate. Parents must sign a form notifying them of the restriction. [EC 49033, 60041; HSC 11032]

Tobacco, alcohol, and controlled substances negatively affect an athlete's physical/mental well being. Any athlete found to be in possession of or involved in the use of any tobacco product, alcohol, or controlled substance of any kind at any time will face the following consequences in addition to school consequences:

#### **Tobacco**

1st Offense: athlete will receive a verbal warning.

2nd Offense: athlete will be suspended from the team for the next contest.

3rd Offense: athlete will be removed from participation in athletics for the remainder of that season. (Including play-offs for that sport)

#### **Alcohol/Controlled Substance**

1st Offense: athlete will be removed from participation in athletics for 10 weeks.

2nd Offense: athlete will be removed from participation in athletics for one full year (12 months).

## **INSTRUCTION AND CURRICULUM**

### **● Photos / Videos At School**

During the school year, the District may take photographs and/or produces videos to highlight programs offered in our schools. If you do not want your child included in a publicity photo or a video, please contact your child's Principal.

### **● District Courses**

Annually the District prepares curriculum, course titles, aims, and descriptions in a prospectus. The prospectus is available at each school site and may be reproduced at cost. Parents/Guardians have the right to review all course material. [EC 49091.14; PPRA]

### **● California State Academic Standards**

California along with most other States developed and adopted common academic standards in core curriculum areas. They are rigorous, internationally benchmarked, and research- and evidence-based.

Each state, and each district in California decides how they will teach and what resources they will use. More information can be found at [www.cde.ca.gov/re/cc/](http://www.cde.ca.gov/re/cc/) or [www.corestandards.org](http://www.corestandards.org). California launched a new computer-based student testing system that ties to the standards for English language arts and mathematics called the California Assessment of Student Performance and Progress (CAASPP). This new system replaces the Standardized Testing and Reporting (STAR) Program that was based on 1997 standards. Parents can opt their child(ren) out of CAASPP testing by submitting a written letter. More information about the CAASPP can be found at [www.cde.ca.gov/ta/tg/ca/](http://www.cde.ca.gov/ta/tg/ca/). [EC 60119, 60604.5, 60615]

### **● LCFF and LCAP**

The LCFF (Local Control Funding Formula) changes the way the State provides money to school districts. Under this new system, school districts receive a uniform base grant for every student, adjusted by grade level. Plus they receive adjustments for the number of students living in poverty, English learners, and foster youth. Then there are further adjustments for concentration of these groups if they are above 55% of the district's enrollment. More information about the LCFF is available at [www.cde.ca.gov/fq/aa/lc/](http://www.cde.ca.gov/fq/aa/lc/).

The LCAP (Local Control Accountability Plan) is a critical part of the LCFF. Each school district is required to engage parents, educators, employees, and the community to establish their plan. The plan must describe the overall vision for students, annual goals, and specific action to achieve these goals. The LCAP must focus on eight areas identified as State priorities. The plan will demonstrate how the district's budget will help achieve the goals, and annually assess how well the strategies improved outcomes. [EC 52060, 52066]

### **● Extra-Curricular Activities**

Extra-curricular activities are encouraged by the District. The primary purpose of extra-curricular activities is to provide a variety of experiences appropriate to students

#### **Extra-Curricular Activities Offered at Denair Unified**

It is the goal of the District to work with parents to assist students in becoming self-directed and responsible for their own behavior. Extra-curricular activities may include:

1. After school recreation/athletics
2. Cheerleading
3. School assemblies †
4. Student clubs
5. Athletics

6. Student government
7. Rally Committee or “spirit leaders”
8. Special field trips not a part of regular classroom work \* (This includes 8th grade and senior trips).
9. School dances (Including prom and 8th grade promotion dance).
10. Extra-curricular public performances of music, dance, drama, and speech (the loss of these privileges shall not apply to class activities to publicize and/or promote school activities and feeder schools which are conducted during the school day).
  - \* The principal/designee may make exceptions regarding academic and attendance expectations only for special field trips not a part of regular classroom work.
  - † The principal/designee may make exceptions regarding attendance of school assemblies, if the nature of the program is focused on citizenship, drug/alcohol intervention, motivation, etc.

Note: Attendance, substance abuse, behavior and classroom citizenship eligibility consequences shall not carry over from elementary school to middle school or from middle school to high school.

### **Academic Eligibility**

In order for a pupil to participate in extra-curricular activities the pupil shall achieve a grade point average of 2.0 with no more than one “F” and show maintenance of minimal progress towards meeting the high school graduation requirements prescribed by the Governing Board in each grading period preceding the quarter of participation in the extra-curricular activities.

The eligibility grading periods shall be the first quarter, first semester, third quarter, and second semester.

### **Grades 6–8**

The grading periods shall be considered consecutive and uninterrupted. Therefore, the quarter grade of the previous year shall be the basis for determining the first quarter eligibility for the following year. Grade checks prior to an extracurricular activity may be conducted to determine eligibility.

The 2.0 grade point average (“C”) must be during the quarter grading period immediately preceding the activity, unless two grades are given at the end of the grading period, at time scholastic eligibility shall be established according to the grade issued for credit. [AR 6145(a)]

### **Grades 9–12**

The 2.0 grade point average (“C”) must be during the quarter grading period immediately preceding the activity, unless two grades are given at the end of the grading period, at time scholastic eligibility shall be established according to the grade issued for credit. [AR 6145(a)]

The grading periods shall be considered consecutive and uninterrupted. Therefore, the fourth quarter grade of the previous year shall be the basis for determining the first quarter eligibility for the following year. (See DHS Student Handbook for details.)

### **6–12 Summer School Grades--Effect on Eligibility**

Summer school grades shall be included to determine eligibility. In calculating eligibility, a summer school grade will replace the grade of a “like” course taken previously. Grades/units earned in summer school classes, which do not replace grades earned previously in “like” courses, will be averaged with grades from the previous grading period (semester). Summer school grades shall not impair a student’s academic eligibility achieved in the previous grading period (semester).

### **Ineligibility due to Attendance**

A student may not be allowed to participate in extra-curricular activities for nine (9) weeks if the student reaches step 4 of the truancy policy (described in the Attendance section). If the student reaches step 5, the student may not be eligible to participate in extra-curricular activities for nine (9) additional weeks from the date the student reached step 5 of the truancy policy. If a student reaches step 6 of the truancy policy, the student may not be eligible to participate in extra-curricular activities (including high school graduation or 8th grade promotion ceremony) for the remainder of the school year at the regular campus unless the student returns to the regular campus after successfully completing an alternative education program.

### **Excessive Absenteeism**

Students who are absent fifteen (15) days in one school year may be placed on Attendance Supervision which imposes the requirement that future absences be verified by a licensed medical practitioner. If a student on Attendance Supervision accumulates five (5) unexcused absences (absences without medical verification), the student may not be eligible to participate in extra-curricular activities (listed on page 30) the remainder of the school year at the regular campus unless the student returns to the regular campus after successfully completing an alternative education program.

### **Attendance on Event Day**

Students shall be in attendance all periods of the day of the event/practice (or in attendance the day prior on a weekend event/practice) unless excused by the Principal or designee in advance or be ineligible for the first event following administrative contact.

### **Ineligibility due to Substance Abuse**

Students who are disciplined for possession and/or use of controlled substances or alcohol shall not be allowed to participate in extra-curricular activities. Students who self

refer for substance abuse may be provided assistance in their quest for help and shall not be disciplined. [BP 5131.6]

### **Ineligibility due to Debts Owed for Loss or Damage to School District Property**

Students who have outstanding debts to Denair Unified School District (K-12) may not be allowed to participate in extra-curricular activities until the debt is paid or until the student completes a program of voluntary work as provided by the Education Code 48904 in lieu of payment. Loss of privileges includes participation in the promotion or graduation ceremonies (grades 8-12). Notification to the parent/guardian regarding the debt will be made in writing. The effective date to determine eligibility shall be three (3) days after the issuance of the notification letter.

### **Ineligibility due to Behavior or Classroom Citizenship**

Students who do not meet behavior and classroom citizenship expectations as defined in the Student Conduct Code portion of this booklet (starting on page 30) may not be allowed to participate in extra-curricular activities.

### **● Curriculum and Personal Beliefs**

Whenever any part of the instruction in health or family life education conflicts with your religious training and beliefs or personal moral conviction, or those of your child, your child shall be excused from such instruction if you request an excuse in writing. [EC 51240]

### **Family Life, Human Development, and Sexual Health Education**

Your child will be taking classes in compliance with the California Healthy Youth Act. These will include instruction in comprehensive sexual health education, HIV prevention education, and research findings regarding pupil health behaviors and risks. Any written and audio-visual educational materials planned for use are available for inspection prior to the start of classes. You may have copies of non-copyrighted material that will be presented by a consultant or guest speaker for ten cents (10¢) per page. You will be notified before such instruction, and have a right to request, in writing, that your child not participate in any or all activities. You may withdraw this request at any time. School districts must ensure that all participating pupils receive sexual health instruction from personnel adequately trained in appropriate courses. At the discretion of the District, staff and consultants give such instruction. If taught by a consultant or guest speaker, or in an assembly, parents will receive notice of the dates, name of organizations, and affiliation of speakers by mail or other commonly used method of notification at least 14 days prior to the dates of the class or assembly. During this class, students in grades 7 - 12 may be asked to anonymously, voluntarily, and confidentially fill out evaluation and research tools such as surveys, tests, or questionnaires measuring student attitudes toward health, sex, and risk behaviors. Copies of

Education Code Sections 51933, 51934, and 51938 can be requested from the District or can be obtained online at [www.leginfo.legislature.ca.gov](http://www.leginfo.legislature.ca.gov). [EC 51933, 51934, 51937-51939]

### **Dissection of Animals**

If your child chooses not to participate in the dissection of animals, and if the teacher believes that an adequate alternative education project is possible, the teacher may work with the student to develop and agree upon an alternative education project for the purpose of providing your child an alternate avenue for obtaining the information required by the class. The school will need a signed note from you indicating your child's objection. [EC 32255]

### **Tests/Surveys on Personal Beliefs**

You and/or your children over 18 will be notified and will be asked for written permission before your child is given any test, questionnaire, survey, examination, or marketing material containing questions about your child's, or his/her parents' or guardians' personal beliefs or practices in politics, mental health, anti-social, illegal, self-incriminating, or demeaning behavior, critical appraisals of others close to the family, about legally confidential relationships such as ministers or doctors, income (unless to determine eligibility in a program or for receiving assistance), sex, family life, morality, or religion. Parents may also opt out of their child supplying information to be used for marketing. Parents have the right to review any survey or educational materials related to the survey on any of the above items. The District has developed policies relating to the surveys and personal information. Notification about surveys is anticipated approximately the first of September and the first of April. If you believe your rights have been violated, you may file a complaint with the Family Policy Compliance Office at U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-5920. [EC 51513, 60614, 60615; PPRA; 34 CFR 98; ESEA]

## **SCHOOL RECORDS AND STUDENT ACHIEVEMENT**

### **● Pupil Records**

You and your children over 18 have the right to review, get copies, and inspect their school records within five business days of a written or oral request or before any meeting regarding an individualized education program or a hearing. Those records are confidential, and privacy will be maintained, except in some instances such as when your child transfers to another school. In some instances information about your child may be released to District staff, foster agencies, after school program operators, summer camp operators, lawyers, law enforcement, state researchers, and nonprofit researchers. Sharing of pupil records must conform to federal laws and in some cases must be approved by the State Committee for Protection of Human Subjects. The records include transcripts,

discipline letters, commendations, attendance, and health information. The records are maintained at the school site by the principal . There is someone to help interpret the material. When more than one child is named in the records, parents may only see material related to their child. If requested, the district will provide a list of types and locations where materials are held. There is a log of who has viewed the records that is kept at the same location as the records. District policy or administrative regulation 5125 sets forth the criteria by which school officials and employees can look and change or delete the files and why. Files may be reviewed to identify students eligible for public school choice or supplemental educational services. If you cannot afford the cost of copies they will be provided free of charge. You also have the right to file a written request with the superintendent challenging the records. You can challenge how your request was handled with the district or with United States Department of Education if you think there is an inaccuracy, unsubstantiated conclusion or inference, a conclusion outside the observer's expertise, comment not based on personal observation with time and date noted, misleading information, or violation of privacy rights. You will get to meet with the superintendent or designee within 30 days. If your challenge is sustained, the changes will be made. If not, you can appeal to the school board, which has final authority. If you still have a different view, your view can be included in the student's record. [EC 8484.1, 49063, 49060, 49068, 49069,49069.3, 49070-49079.7, 56043, 56504; CC 1798.24(t); FERPA; 20 USC 1232(g); 34 CFR 99]

For a smoother transition, through a relationship established with the Department of Defense and the California Department of Education, the District has established guidelines for transferring credits and meeting graduation requirements of students from military families. [EC 51250]

### **Student Data from Social Media Websites**

School Districts may now adopt a plan to gather student information from social media websites. The Governing Board has not adopted such a plan, but may consider it in the future. The information would pertain only to student or school safety, and must be destroyed within one year of the student leaving the District or turning 18. [EC 49073.6]

### **● Regulations Regarding Pupil Achievement**

The Board of Education believes good communication between parents and teachers is important in the educational process. All appropriate forms of communication should be used. The progress report should reflect student progress in classwork and proficiency levels and indicate educational growth in relation to the student's ability, citizenship and effort. [EC 49067]

### **● Teacher Qualifications**

A provision of federal Title I requires all districts to notify parents of children in Title I schools that they have the right to request and receive timely information on the professional qualifications of classroom teachers and paraprofessionals. These include state qualifications, licensing for the grade level or subject taught, any waivers for qualifications, emergency provisions, college major, graduate degrees and subject, and if paraprofessionals or aides are in the classroom and what their qualifications are. [ESEA; 20 USC 6311; 34 CFR 200.61]

### **● Release of Directory Information**

The law allows schools to release "directory information" to certain persons or organizations including military recruiters. Directory information includes student's name, address, telephone number, email address, date of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous school attended. You may have the district withhold any of this information by submitting a request in writing within fourteen (14) days after the first day of school. Written notification received after the date specified will be honored, but the student's information may have been released in the interim. In the case of students with exceptional needs or who are homeless, no material can be released without parent or guardian consent. [EC 49061(c), 49070, 49073(c), 56515; FERPA; ESEA]

### **● School Safety Plan**

Every year, each school shall review and update its plan by March 1. Each school shall make its plan public and shall share the plan with numerous community leaders, school site personnel, and parent groups. Plans should, among other things, provide guidance for the response to and/or the prevention of bullying, child abuse, and disasters. Key elements are to be described in the School Accountability Report Card. Planned responses to criminal incidents need not be disclosed. The Uniform Complaint Procedure can be used regarding School Safety Plan compliance. [EC 32281, 32282.1, 32286, 32288, 32289]

## **UNIVERSITY ADMISSIONS**

### **● University of California/California State University Admissions**

Admission to the California State Universities requires a minimum 15-unit pattern of courses for admission as a first-time freshman. Each unit is equal to a year of study in a subject area. A GPA of 2.0 (C) or higher is required for regular admission. Admittance is based on an eligibility index that combines multiple items. Transfer students are accepted.

Admission to the University of California requires completion of the 15 yearlong high school course list. These courses are also known as the “a-g” subjects. At least seven of the 15 yearlong courses must be taken in the student’s last two years of high school. A GPA of 3.0 (B) or higher is required for California residents. [EC 48980, 51229]

## DISCRIMINATION, HARASSMENT, PROTECTIONS, COMPLAINTS AND PROCEDURES

All pupils have the right to participate fully in the educational process, free from discrimination and harassment. Schools have an obligation to combat racism, sexism, and other forms of bias, and a responsibility to provide equal educational opportunity and ensure safe school sites.

The District is primarily responsible for compliance with local, state, and federal laws and regulations; has policies and procedures to address allegations of unlawful discrimination, harassment, intimidation, bullying, and complaints alleging violation of laws governing educational programs, activities, and pupil fees. Employees, students, parents or guardians, school and district advisory committee members, appropriate private school officials and other interested parties are advised of the district policies and how to file a complaint if they so desire.

## ● Safe Place to Learn

It is State and District policy to improve student safety, connections between students and supportive adults, and connections between schools and communities. These policies prohibit discrimination, harassment, intimidation,

and bullying at all school sites and school activities based on actual or perceived characteristics: mental or physical disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics at any school sponsored activity. District employees must report and, when safe to do so, intervene when they see discrimination, harassment, intimidation or bullying. Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The Board also prohibits any form of retaliation against any individual who files or otherwise participates in the

filing or investigation of a complaint or report regarding an incident of discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. He/she shall provide training and information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the educational program. He/she shall report his/her findings and recommendations to the Board after each review.

# Student Conduct Code

## 2016-2017

### **BEHAVIOR EXPECTATIONS AND CONSEQUENCES**

**Consequences are determined by the number of violations occurring in one (1) school year. A school may have additional rules unique to its site as long as they do not conflict with the Student Conduct Code. [EC 35291.5]**

EXCEPTIONS: The number of offenses and the consequences relating to extra-curricular activities eligibility for substance abuse violations carry over from year to year in grades 6-8 and 9-12, but not from middle school to high school.

#### DURING SUSPENSION:

1. Student shall not report to school during the period of suspension, except in the case of in-school suspension, unless coming to the office on official business by prior arrangement with a school administrator. EDUCATION CODE 48900: Any violation of the following sections of the California State Education Code is grounds for either suspension or expulsion from the district

### **CAUSES FOR HOME SUSPENSION OR OTHER ALTERNATIVE CONSEQUENCES**

(See page 20: Extra-Curricular Eligibility)

Children in the primary grades (K-3) are still growing in their ability to always know right from wrong in their everyday decisions. The Board of Education recognizes this and has instructed principals to take it into consideration when making conduct decisions. In no case will a child who violates the Conduct Code be without consequences. Serious offenses will be cause for expulsion.

When a student violates the Conduct Code, the principal will follow the guidelines related to consequences as outlined in this code. However, in some cases, particular circumstances may make expulsion inappropriate. In those instances, the principal may use his/her discretion and not recommend expulsion. When this option is exercised, within five (5) days of the infraction, the principal will write a letter to the Superintendent, describing the incident, the particular circumstances that make expulsion inappropriate, and the nature of the alternative consequences that will be used to hold the student accountable. This applies to all elements of the Conduct Code, except the five (5) mandatory expulsion offenses (the big five) outlined in Ed. Code 48915(c). (See page 39)

When “suspension” is utilized, the site administrator will determine whether the consequence should include, but not be limited to, in-school suspension/ home suspension/Saturday School/intervention group/detention/community service. Community service may include, but is not limited to, work performed on school grounds during non-school hours in the areas of outdoor beautification, campus betterment, and teacher or peer assistance programs. [EC 48900.6]

Law enforcement agencies may be notified at the discretion of the administration.

If the nature of the offense makes an alternative education placement or expulsion recommendation appropriate, the student may be suspended five (5) days for the infraction.

Student may be suspended on the first offense if it is determined that the pupil’s presence causes a danger to persons or property or threatens to disrupt the instructional process. [EC 48900.5)

**Gang related offenses** - a student may be suspended for five (5) days on the first offense and recommended for an alternative education placement or expulsion.

**Gang definition** - gangs are best described as a group of individuals involved in unusually close social relationships, which promote negative behavior. They share a common collective identity expressed through a gang name. Gangs adopt certain symbols or signs and claim control over a certain turf or territory. These organized groups can create fear among other students and increase the level of violence in schools. Gangs solidify through participation in-group and individual activities that are often antisocial.

**Offenses 1 - 11 only** - depending on the seriousness of the act, the student may be recommended for an alternative education placement or expulsion on the first or succeeding offenses.

Parents will be notified when student is suspended.

## DESCRIPTIONS OF SOME OF THE DISCIPLINE CONSEQUENCES

### ● Suspension from Class

A teacher may suspend any pupil from the teacher’s class for any violation of E.C. 48900, for the day of the suspension and the day following.

The teacher shall send the pupil to the principal/designee for appropriate action. If that action requires the continued presence of the pupil at the school site, the pupil shall be under appropriate supervision. As soon as possible, the teacher shall ask the parent/guardian of the pupil to attend a parent/teacher conference regarding the suspension. If an in-person conference cannot be arranged, a telephone conference may be substituted. A school administrator shall attend the conference if the teacher or parent/guardian so request. The pupil shall not be returned to the class during the period of suspension without the concurrence of the teacher and the principal or designee. A pupil suspended from a class shall not be placed in another regular class during the period of suspension.

### ● Recess Restriction

A pupil may be restricted at recess for disciplinary purposes. [EC 44807.5]

### ● Detention of Students After School

Students may be detained after school for up to fifteen (15) minutes without prior notice to the parents. Detention from sixteen (16) to thirty (30) minutes requires a reasonable effort to give prior notice to the parent. Detention longer than thirty (30)

minutes requires prior notice to the parent. Prior notice includes telephone calls. Regardless of the length of detention, prior notice to parents must occur in cases where detention will cause a student to miss the school bus.

### ● Corporal Punishment

By state law and District policy, school employees are prohibited from the use of corporal punishment at any grade level.

### ● Denial of Participation in Promotion or Graduation Ceremony

In order to encourage high standards of student conduct and behavior, the principal may deny the privilege of participating in graduation ceremonies and/or activities in accordance with the student conduct code.

When a student is denied participation in the graduation ceremony the school must notify the parent or guardian and they shall be provided a written notice indicating grounds for denial and means of appeal. [BP 5127]

### Appeal of Promotion or Graduation Ceremony Denial

A student or student’s parent or guardian has the right to appeal a denial to participate in the graduation ceremony. A meeting must be requested by the student or student’s parents or guardians within five (5) school days from the date the parent or guardian was notified. An administrative panel made up of two or more school staff will review each appeal and

make a recommendation to the superintendent/designee. The superintendent's/designee's decision will be final.

**● Involuntary Transfer to Community Day School/Alternative Education Placement**

No pupil shall be required to attend a Community Day School program for adjustment purposes until both the pupil and the pupil's parent or guardian have been notified in writing of the intended assignment. The notice to the parent or guardian shall request the parent or guardian to respond within ten (10) days. If the parent/guardian does not respond, school personnel shall make a reasonable effort to contact the parent or guardian by telephone to communicate directly the information contained in the written notice.

The person responsible for assigning pupils to a Community Day School program for adjustment purposes shall make such an assignment only upon the recommendation of a school committee formed for that purpose or through the expulsion process. The committee shall include, but need not be limited to, a representative of the school District who is familiar with the pupil's progress, a representative of the Community Day School program, and the parent or guardian of the pupil at the option of the parent or guardian. The parent or guardian may designate a representative such as a counselor, social worker, or other community member, to attend the meeting of the committee.

Not less than two (2) times each school year a review must be conducted of the progress of each pupil assigned to the

program for adjustment purposes to determine whether the pupil would benefit by returning to regular school or classes. Those participating in the review shall include a representative of the Community Day School program, who is familiar with the student's progress, and the parent or guardian of the pupil concerned at the option of the parent or guardian. [EC 48637.1, 48637.2, 48637.3]

**Involuntary Transfer to Continuation School/Alternative Education Placement**

A decision to transfer the pupil involuntarily shall be based on finding that the pupil (a) committed an act enumerated in E.C. 48900, or (b) has been habitually truant or irregular in attendance from instruction upon which he or she is lawfully required to attend.

Involuntary transfer to a continuation school shall be imposed only when other means fail to bring about pupil improvement; provided that a pupil may be involuntarily transferred the first time he or she commits an act enumerated in Section 48900 if the principal determines that the pupil's presence causes a danger to persons or property, or threatens to disrupt the instructional process.

A written notice must be provided to the student and the student's parent or guardian informing them of the opportunity to request a meeting with a designee of the District Superintendent. [EC 48432.5]

### 23. POSSESSING OR USING ELECTRONIC SIGNALING DEVICE/CELL PHONE

However, the Board also acknowledges the importance of electronic communication between students and parents, particularly when students are involved with activities that keep them after school hours.

Therefore, students may be permitted to have in their possession a cellular phone/pager in school, on school property, at after-school activities, and at school-related functions provided that use of the cellular phone/pager does not disrupt the instructional process. In permitting use of such devices, the District assumes no liability for the loss or damage of the device or its misuse by another person. Cellular phones/pagers are not to be used for unlawful purposes.

Individual sites shall determine specific procedures for their students regarding the use of cellular phones/pagers during non-instructional times (i.e., breaks and lunch). These procedures must be developed in collaboration with the school community, which may include site councils, safety committees, parents, department chairs, school staff, and students.
