INSURANCE RATES
2016-2017

Rates effective 10/1/16 - 9/30/17

Full Time Employees: The District will contribute a monthly CAP allowance towards Medical, Dental, Vision, & Life. If the total premiums for your insurance is less than the CAP amount, the difference will be added to your paycheck and taxed. If the total premiums are greater than the CAP allowance, a deduction for the difference will appear on your paycheck pre-taxed.

Employees who work four or more hours per day are eligible for Health Insurance Benefits, with the District providing an allowance for the percentage of the time worked. All new full time employees must participate in the Health Benefit package (medical, dental, vision & life).
