PETITION FOR TRANSFER OF TERRITORY

To the Honorable Tom Changnon, Superintendent of Schools of Stanislaus County:

Pursuant to Education Code Section 35700, subdivision (c), the undersigned, constituting the property owners in the uninhabited territory proposed to be transferred, now within the boundaries of the Denair Unified School District, Stanislaus County, petition that the boundaries of the Denair Unified School District be changed to eliminate from it the territory hereinafter described. The undersigned persons petition that the territory be transferred to and included within the Turlock Unified School District of Stanislaus County.

The property to be transferred is described as follows:

<u>Situs (Street) Address</u>	<u>Stanislaus County Assessor's Parcel No.</u>	<u>Approximate Acres</u>
2707 East Tuolumne Road Turlock, CA 95380	073 - 013 - 003 - 000	40.60
3007 East Tuolumne Road Turlock, CA 95380	073 - 013 - 004 - 000	19.70
2930 East Tuolumne Road Turlock, CA 95380	073 - 013 - 006 - 000	19.70
3130 East Tuolumne Road Turlock, CA 95380	073 - 013 - 007 - 000	11.40

The undersigned request the changes in the respective boundaries of the school district for the following reasons:

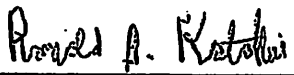

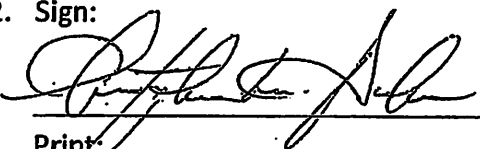

1. The transferred territory would be organized on the basis of substantial community identity by allowing City of Turlock residents to attend Turlock schools.
2. The reorganization will preserve each affected District's ability to educate students in an integrated environment and will not promote racial or ethnic discrimination or segregation.
3. The proposed transfer of territory will continue to promote sound education performance and will not significantly disrupt the education programs in the districts affected by the proposed reorganization.
4. Any increase in school facility costs as a result of the proposed territory transfer will be insignificant and otherwise incidental to the reorganization.

- The proposed territory transfer will continue to promote sound fiscal management and not cause a substantial negative effect on the fiscal status of the affected districts.
