Workers Compensation Annual Certification

Dear Workers' Compensation Member,

Pursuant to Education Code 42141 (c), school districts must certify to the County Superintendent of Schools the amount of reserves needed to fund incurred Workers' Compensation liabilities. Board action is required for this certification of reserves by each member school district of the Central Region School Insurance Group (CRSIG) Workers' Compensation program.

The reserves needed to fund the incurred liabilities for CRSIG school districts are actuarially determined on an annual basis and administered by CRSIG. Therefore, there is no budgetary consideration necessary on the part of the school district members of CRSIG.

As of June 30, 2016, the reserves maintained by CRSIG for its Workers' Compensation program as compared to the incurred liabilities are as follows:

Total Reserves:	\$33,355,987
Total Liabilities:	\$20,197,942
