# 09142017-R01

**Whereas**, the Governing Board of the Denair Unified School District, in order to comply with the requirements of Education Code 60119, held a public hearing on September 14, 2017, at approximately 7:00 p.m, which is on or before the eighth week of school (between the first day that students attend school and the end of the eighth week from that day) and which did not take place during or immediately following school hours, and;

**Whereas**, the Board provided at least 10 days notice of the public hearing by posting it in at least three public places within the district stating the time, place, and purpose of the hearing, and;

**Whereas**, the Board encouraged participation by parents/guardians, teachers, members of the community, and bargaining unit leaders in the public hearing, and;

**Whereas**, information provided at the public hearing detailed the extent to which textbooks and instructional materials were provided to all students, including English learners, in the Denair Unified School District, and;

**Whereas**, the definition of "sufficient textbooks or instructional materials" also means that all students who are enrolled in the same course within the Denair Unified School District, have standards-aligned textbooks or instructional materials from the same adoption cycle, and;

#### Finding of Sufficient Textbooks or Instructional Materials
